

## Friends of Winston Manor!

We are excited to open our swim team up to friends of Winston Manor. The HOA has agreed to allow up to 20 members to the team that are not residents of Winston Manor. The following rules apply to non resident swim team members

- Swim team dues only cover the team member, and not the family of the swim team member.
- Non resident team members wanting to stay after swim practice for open swim must sign in as a guest with a resident, who will then be responsible for that guest. Swim team members' guest fee is part of their swim team dues on *swim team days*.
- Any additional family members must be a guest of a resident and pay the \$5 guest fee.

Please note: when swim practice ends, non resident swim team members must be picked up promptly or become a guest of a resident if they chose to stay for open swim.

I understand the above agreement and will adhere to the non resident swim team member rules:

Printed Parent Name: \_\_\_\_\_

Signature: \_\_\_\_\_

Name of Swimmers: \_\_\_\_\_

Date: \_\_\_\_\_

If you know any non resident interested in joining our team please have them email [winstonmanorswimteam@gmail.com](mailto:winstonmanorswimteam@gmail.com) for more information!
